From the Pregnancy Care Center

It's time again for the annual Change for Life fundraiser to support the Pregnancy Care Center and to help more women and men find hope during an unplanned pregnancy situation. One of the easiest ways to help our clients is to participate in this annual bottle drive. It's easy!! Just take a baby bottle and fill it with change, bills, or checks (made out to the Pregnancy Care Center). Return the bottle and the Center will take them to the bank to be counted. It's amazing how quickly it adds up. Our goal again this year is \$12,000. Together we can save and change lives in our community. Please fill and return your bottles by March 3rd. Thank you!

Beaver Camp Work Weekend

In 2010 I was asked by the pastor if I wanted to go with the group to Beaver Camp for the 1st time. We sent around 30 helpers that year. Last year we sent 2, myself and my brother Frank who's not a member here.

God still blessed our work and Todd and Mike were very happy with what we were able to do for the camp. They tell me no matter how many we send this year, they look forward to our help. We can use your help also. And I know you will be blessed by serving others. DON'T MISS OUT.

This years dates are February 15th-17th. We try to carpool from the church Fri. Night and stop for dinner in Lowville then head to camp. We finish up our work on Sunday morning and after lunch head home.

Revelry is at about 8am with breakfast served and lunch at noon and dinner at 5pm which makes for a short day of work. Plenty of time for fellowship.

Men, women and young adults willing to work are welcome to join us.

Contact me by text at 315 558 9999 or email at japsr99@gmail.com for more info or to let me know you are going.

In your community the Pregnancy Care Center of Cayuga County stands in the gap between a young woman's unplanned pregnancy and the choice of abortion. The Pregnancy Care Center provides pregnancy tests, loving guidance, unconditional acceptance, and support to all who walk in the door. They also share the love of Christ using both words and actions as they build relationships with women, men, and their families in your community. They do all this and more because they see a need and they want to make a difference, both now and eternally. The services they provide are offered at no cost, but it does take funds to run the Center. God faithfully provides through his people and we are asking you to join with churches from around your area to partner with this ministry in the annual Change for Life baby bottle fundraiser. This fundraiser is vitally important to the Center as we reach our community. Every bottle that is collected adds up to reach the goal of \$12,000. Your bottle is important to the future of a young woman and her child. Thank you for taking these steps to save and change lives in your community.

Step 1: Take a bottle

Step 2: Fill the bottle with change, cash, or checks. (Please make checks out to Pregnancy Care Center.)

Step 3: Return the bottle on collection day!
