Women's Bible Study

The Women's Bible Study will be starting a new study on Tuesday January 28th at 7:00 pm in the Fellowship House. The ladies decided on "God of Creation: a study of Genesis 1 - 11" by Jen Wilkin. The cost of a book will be \$15.00. Books will be distributed on January 28th, at which time we will be viewing the introduction by the author and discussing what to expect in the months ahead. All women are invited to attend. See Carol Patterson if you have any questions.

Ladies' Circle News

Each year, the women in Ladies' Circle collect change at monthly meetings to support missions. Through God's blessing this year, over \$1000 was collected. With the benefit of matching funds, \$2120 will be sent to mission organizations to provide medicine, mosquito nets, a water pump, children's clothing and shoes, farm animals, and a portion of a deep well through World Vision and International Christian Concern. Our Christmas gift exchange benefitted Matthew House in Auburn with several large boxes of household items and food used in their care of Hospice patients. Thank you ladies!

News from the Pregnancy Care Center

We wanted to let you know how God worked through his people at the banquet this year. We received \$54,492 in one time gifts and monthly pledges for 2020.

The Pregnancy Care Center would like to thank all of our friends at Cato Christian Fellowship for your very generous gift to the Center at Christmas. We are so thankful that you have chosen to partner with us as we minister to women and men in our community who have chosen life for their child. With the money that you donated, we were able to purchase Christmas gifts for all of our clients. And because of your incredible generosity, it looks like we will also be able to purchase a much needed Smart TV for the Center. Thank you so much!!!

I want to say thank you for your support this year. Our year has been blessed by your prayers, material donations, financial support...and more!

At times we might seem overwhelmed by the number of abortions done every day all over NY and the United States, not seeing how we can make a difference. However, at very local level, right in your community the Pregnancy Care Center is meeting one on one with women in their unplanned pregnancy situations. We continue to speak truth about life; offering guidance, unconditional acceptance, support, hope, compassion, and love to all who walk in the door. We do all this and more because we want to make a difference, both now and eternally. God faithfully provides through his people and we are asking you to join with churches from around our area to partner with this ministry in the annual Change for Life baby bottle fundraiser. This fundraiser is vitally important to the Center as we reach our community. Every bottle that is collected adds up to reach our goal of \$12,000. Each bottle is important to the future of a young woman and her child. Thank you for taking these steps to save and change lives in your community.

Step 1: Take a bottle

Step 2: Fill the bottle with change, cash, check or online @ www.auburnpcc.com. (Please make checks out to Pregnancy Care Center.)

Step 3: Return the bottle on collection day!
