From the Pregnancy Care Center

New Study for the Adult Sunday School Class

The Adult Sunday School Class began a new study today by Michael Lawrence: "Conversion, How God Creates a People". They are taking a look at what the Bible says about true conversion. There is a lot of ideas and confusion today about what it means to be a Christian. They are looking to Scripture as the final authority on what conversion and salvation really look like. Please join them for this very important study. They'd love to have you join them downstairs in the Fellowship Hall @ 9:30 am each Sunday morning.

New Infant Care Offering

We want to give praise to the Lord for all the new (and soon to arrive) infants in our church body. We thank God for new life and the life it brings to our church. For a while now we have had discussion on how we can better accommodate moms with infants. Many moms want to sit in the service but have to leave when the little ones start fussing. We want our moms with infants to feel part like part of the service and to be able to participate as much as possible. This is why we have installed a video feed to the fellowship hall. Each Sunday the service will be fed live to the screen downstairs so that moms (or dads) with infants can still take in the service while comforting the little one. As we offer this option, we would welcome any input in terms of how to improve the opportunity provided.

Soup & Chili Lunch

March 24th. Save the date now for the Annual Soup & Chili Lunch after the Morning Worship Service in the church Fellowship Hall. More details to come.

Beaver Camp Work Party

It's not too late to sign up for the Work Party at Beaver Camp this weekend (the 15th - 17th). Joseph says that although several people had expressed an interest in going, at this point in time no one has actually signed up to go. So please see him TODAY to get on board!
