

Lately, as we look around, EVERYWHERE seems to be a good place for a new church. We are so grateful for the opportunities right where we are living and in the surrounding neighborhoods to be a light, to serve people, to live the Gospel before them, and to share the Gospel of Jesus Christ. God is growing an interest among people in our area for studying the Bible. That always gets us really excited! Please pray for Gustavo, Guillermo, and Aristeo for their salvation.

It is hard to believe that we have been here for a year now, already. After a year of ministry partnered with pastor Gerardo Rojas to help with Compassion and Life Bible Church plant, we are thankful for the way God has used us to grow up that church plant. On any given Sunday they are now seeing an average of about 20 adults and youth consistently attend services.

Joe is working on a course for the Servant Leaders institute, called the Theology and Practice of Servant Leadership. He has been working on this course for about 8 weeks now. Pray he gets it completely done in both English and Spanish soon. He's headed to Iglesia Bautista Roca Viva in Costa Rica to teach the course later this month.

"We cannot find parts for your car," is a common phrase we are hearing a lot. We have been confined to around town driving only for a few months now, because the fuel pump overheats and then shuts the engine off. We finally were able to get that repaired and are just needing a few other minor repairs done so that we can sell it. Please pray we can get these repairs done quickly and cheaply, and that it will be up for sale very soon!

Please pray for God's provision! We are seeing our available funds for ministry really starting to dwindle. We are trusting the LORD to provide for us to be able to buy more Bibles, and to be able to print more Bible study materials and discipleship materials. We are also trusting God for a new vehicle (new to us, not new as in a 2015). Please be in prayer for these needs!

If you would also be in prayer as well for Eliana's visa situation. This past month we have been trying to renew her visa, but were denied because of a few minor details on the paperwork. On May 28th we will have an interview and a whole different set of paperwork. Please pray that we will be able to arrive there with everything in order, and that we will be able to get her new visa.

We are excited to hear that over this summer two new churches will be considering financial partnership with us. Please pray for wisdom for these churches as they decide whether they will begin supporting us in this ministry.

In the picture to the right, the man with the red blanket over him, Rodolfo heard the gospel back in February, and had responded by giving his life to Christ. Just yesterday (Monday May 4th), he passed away. We are hopeful that Rodolfo was sincere in his response to the gospel and that he is now in the presence of the Lord!

As you watch the signs of the times, and it causes you to consider how much time we have left until that amazing day when Jesus returns, please pray for the harvest, and for us as we labor in it! Thank you for your continued faithful support and most importantly for your prayers for us and God's ministry here! Your partnership means a lot to us!

Serving Together,

*DePuy Family*
