New Adult Sunday School Class

1 Timothy 4:8 . . . for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come.

Scripture tells us that God has given us "everything we need for life and godliness" (2 Peter 1:3). But what makes a Christian godly? In *The Practice of Godliness*, Jerry Bridges examines what it means to grow in Christian character and helps us establish the foundation upon which that character is built. In order to live godly lives, we need an inward foundation of God-centeredness.

Growing in godliness is a twofold process. It involves embracing an ever-deepening devotion to God and developing a character that is steadily transformed into His likeness. Bridges opens our eyes to see how character formation affects the way that we relate to God, ourselves, and others.

This all-in-one curriculum set includes *The Practice of Godliness* in its entirety as well as a study guide. There are wide margins for taking notes, and at the end of each session, you'll find discussion questions that will help you explore how to let the Holy Spirit cultivate the fruit of God's character traits in your life.

Please join us as we begin this study in the Adult Sunday School class. The class will **begin on Sunday morning March 15th at 9:30 am** downstairs in the Fellowship Hall.
